

Petersham Bowling and Community Club Newsletter

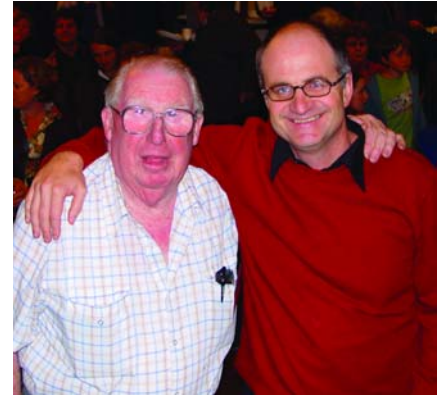

PBC NEWS UPDATE:

What you've missed...

James O'Loughlin and the ABC 702 radio show hit our club a couple of weeks ago, proving that 200 people do fit inside the clubhouse. A splendid night for all those who attended and some great exposure for the club and our happy little community here in Petersham. Special thanks to Roberta Palfreeman for winning this event for the Club, and to all those who made the night possible. Congratulations also to the lads from the "Westside Palace Street Massive", carry over champions of the Street of Origin challenge held on the night.

Changes within the Board...

Paul Burnheim, Life Member of the club, active both as a Director and a bowler, resigned from the Board to nurture his competitive nature at the Alexandria-Erskineville Bowling Club. Our thanks to Paul for his substantial contribution over many years. Not wanting to be short handed, the Board welcomed Roberta Palfreeman as Paul's replacement. We look forward to Roberta's continued enthusiasm as the Club's newest Director.
